Holiday Programs
April 2018

Lemonade Stand for Entrepreneurs!

Monday 9 to Tuesday 10 April, 9–14 years

Featuring 2 full days learning the basics of entrepreneurship, startup building and pitching ideas. On day 1 children will define the product, customers, pricing, brand, marketing strategy, innovation and insights. Day 2 is about design thinking, validating ideas, prototype development, websites, apps and the final pitch to parents!

Code Camp Apps

Wednesday 11 to Friday 13 April, 7–13 years

Immerse yourself in 3 full days of coding where you will apply logic and creativity to develop your own app. Using drag and drop coding that allows you to focus on the logic, rather than the syntax, why not join the camp that over 12,000 students have already completed! Fun, creative and lots of problem solving, with the opportunity to share your creation on the App Store or Google Play!

Gaming and STEM

Young Crafters or Minecraft ++

Wednesday 4 to Friday 6 April, 5-7 and 8-12 years

Spend 3 days working in creative mode learning to craft objects with structured challenges as you use collaborative learning to understand finding or growing food and mining and building machines. More challenges for advanced students available too.

Minecraft Coding

Thursday 12 April, 8-12 years

Spend a full day modifying and controlling the logic behind the game. Create playable worlds for you and your friends using Google Blockly, a visual language that converts to Java (the Minecraft language).

Get Game

Monday 9 April, 7-14 years

Spend 1 day experiencing 3 games from a range of genres: puzzle, survival or citybuilding, while being coached by gaming experts.

Rockets 'n' Sprockets

Tuesday 10 to Wednesday 11 April, 5-12 years

Spend 2 days exploring physics, engineering and automation with custom games via STEM based games, Kerbal Space Program and Factorio.

LEGO Bricks 4 Kidz

Movie Mania

Wednesday 4 April, 9am to 12pm, 5-12 years

Spend half a day re-creating a magical world with characters like The Minions, The Incredibles, Finding Nemo, Batman or Frozen.

Superheroes Infinity World

Wednesday 4 April, 12.30 to 3.30pm, 5-12 years

Join Thanos, Iron Man, The Hulk and Captain America as they manage the fate of the planet!

Coding with WeDo

Thursday 5 April, 9am to 12pm, 7-12 years

Build with LEGO bricks and then program with software coding to instruct your robot on what to do. Fun, drag and drop software designed for kids!

Stop Motion Animation

Thursday 18 January, 12.30 to 3.30pm 7-12 years

Use LEGO wireless remote controls and fascinating LEGO components to create dynamic sets and then shoot a movie to bring the ideas alive!

Mining and Crafting

Friday 6 April, 9.00am to 12.00pm, 5-12 years

Craft mobs, critters, shelters and tools using LEGO bricks.

Extreme Ninjas

Friday 6 April 12.30-3.30pm, 5-12 years

Use LEGO bricks, technic pieces, gears and motors to build the ninja domain of temples, dragons and motorised spinning machines.
