

**FIRBANK GRAMMAR SCHOOL POLICIES & PROCEDURES FOR:
Standard 7-Younger Overseas Student Transfers**

TRANSFER POLICY

Firbank Grammar School t/a Firbank Grammar **distinguishes student transfers into two categories incoming and outgoing students.**

Firbank Grammar will ensure all students; staff and agents have access to our Overseas Student Transfer Policy and Procedure.

Firbank Grammar acknowledges students can transfer with no restrictions once they have completed 6 months of their *first course*.

Firbank Grammar may request permission from students to contact their previous school to gain further information on their previous enrolment, as agreed upon by the student in the written contract.

INCOMING STUDENTS

1. Firbank Grammar will not enrol a student wishing to transfer from another institution unless the student can provide evidence they have completed 6 months of their first course unless:
 - a. the original CRICOS provider of the course in which the student is enrolled has ceased to be registered;
 - b. the original provider has released the student and recorded the release in PRISMS;
 - c. the original provider has a sanction imposed on its registration by the Australian Government or State or Territory Government that prevents the student from continuing his or her first course;
 - d. A Government sponsor of the student considers the change to be in the student's best interest and has provided written support for that change;.

Firbank Grammar will check the Provider Registration and International Student Management System (PRISMS) to see if the student is enrolled elsewhere but will not solely rely on the PRISMS data.

Other checks may include evidence of the completed qualification/Statements of Attainment from the student and/or evidence of the last date they attended a class, to try to ascertain the student is not enrolled elsewhere or still within 6 months of their first course.

Firbank Grammar is aware that if a student transfers to another provider, any refunds of tuition or other fees paid to the original provider will be in accordance with the original provider's refund policy.

OUTGOING STUDENTS

Firbank Grammar will not grant a release to any student who does not have a valid Letter of Offer within the first 6 calendar months from the date of the commencement of their first course. If the student has had a break in their enrolment due to a deferment or suspension, the break period will not be counted as part of their 6 months of completed study.

Firbank Grammar will only grant a Letter of Release/Release a student where the transfer will not be to the detriment of the student. This process will also require the school releasing the student in PRISMS.

Some examples of what may be considered to the student's detriment are:

- if the transfer may jeopardize the student's progression through a package of courses
- If the student has recently started studying the course and the full range of support services are yet to be provided or offered to the student (it is good practice to revisit the issue within a timeframe negotiated with the student); and
- if the student is trying to avoid being reported to DHA for failure to meet the provider's attendance or academic progress requirements.

Students wanting to be released from the School will be required to firstly request an appointment with the Deputy Principal or Head of Campus. The School will ensure a meeting is offered within 48 hours of the request. After the meeting, the student will be required to complete an application form with reasons of why they want to leave, and then sign and lodge the form with the administration desk. All documentary evidence supporting the request must be submitted with the form.

No request will be considered until the student produces a signed Letter of Offer from another CRICOS registered provider.

The School will not charge for a Letter of Release.

Our Letter of Release will state: whether or not the student demonstrated a commitment to studies during the course, whether or not they had a good attendance record, and whether or not they paid all course fees owing.

The Letter of Release will also advise the student to contact DHA urgently to seek advice on whether or not a new student visa is required.

No restrictions apply to students who have completed the first 6 months of their first course.

Firbank Grammar WILL NOT issue a Letter of Release if a student has unpaid course fees for the current study period. The current study period is determined as the study period in which the student applies for a Letter of Release. If this falls during holiday break the release will be determined as being the previous study period.

Firbank Grammar's students will be provided with written notice of a transfer / Release refusal. All records and processes which form part of the decision will be kept on the student's file.

International students should also note they can only study with a CRICOS registered provider whilst on an international student visa, for any course or part of a course (e.g. a licensing outcome course) they enrol into in Australia.

TRANSFER PROCEDURE

INCOMING STUDENTS

STEPS TO BE FOLLOWED:

Incoming students may provide a Letter of Release from their previous provider but must be released in PRISMS by their previous provider unless they are undertaking a secondary course or circumstances at 1 a,b,c, or d in the Transfer Policy are proven. In this instance DHA should be contacted to confirm the correct procedure.

1. Copies of documents used in the process must be kept on student files of all evidence.
2. If the transfer will affect the start dates of any subsequent courses covered by the visa, the student needs to obtain release (in PRISMS) for those courses or gain the providers' written agreement to delay the start of those subsequent courses.
