The Firbank Grammar School Child Safe Code of Conduct outlines appropriate standards of behaviour for all adults towards children and young people at Firbank Grammar School and Boarding Premises.

The Code serves to protect students, reduce any opportunities for abuse or harm to occur, and promote child safety in the School environment.

All adults interacting with students within our School community must comply with this code. This includes all teaching staff, non-teaching staff, the School Board, Volunteers, Third Party Contractors, External Education Providers, parents/carers, Ministers of Religion and any other adult within our community who is involved in child-connected work.

The Code of Conduct is not designed to cover every situation; School staff must use their own professional judgement in applying the code to individual contexts.

The Child Safe CoC applies in all school and Boarding House environments, to all students. These environments include:

- Physical environments both on and off campus for the delivery of normal classroom activities, for all extracurricular activities, incursions, excursions, camps, tours, etc.
- virtual and online places used by a student or Boarding student at any time.
- Both inside and outside usual school hours, including weekends.

The Child Safe Code of Conduct is made available via our public website. The School revises the Code annually. The School's School Board has endorsed this Child Safe Code of Conduct.
