Community Campus

Firbank Grammar School and Brighton Grammar School

## GATEWays Festival

### Prep Festival of Workshops

Monday 11 to  
Tuesday 12  
December, 5-6  
years

Join us in this two day program for bright buttons with a variety of workshops to choose from. For example, instead of studying maths, we study the top speeds of animals and how they compare with Usain Bolt! Workshops vary in topics from the sciences to the arts, but all are designed to challenge and excite young minds. Gather with like minded children from a wide variety of schools.

### Festival of Workshops Primary Years

Thursday 14 to Friday 15 December, 7-13 years

Gifted and talented children from Years 1 to 6 have the opportunity to attend a wide range of exciting and challenging workshops. With programs in anatomy, science, communications, nature, forensics, maths, atoms and chemicals, entrepreneurship, building (billy cart) there is sure to be a class to extend and develop your children's special abilities. See Firbank Festival of Workshop.

## Performance Theatre

Monday 11 to Thursday 14 December, 7-13 years

Audition, rehearse and perform in this 4 day workshop "Jock and the Christmas Fairy". Jock and his mother are so poor that Jock pawns his mother's silver bell for food. But instead of getting money, Jock swaps it for a magical pinecone which she tosses out the window in anger. Join Jock and the talking Christmas bells, a Christmas fairy, a wicked fairy Queen, Christmas pudding eaters and other fantasy characters in this whimsical performance with roles for every child!

## Camp Brighton

**Monday 11 December to Friday 22 December, 3-12 years**

If your child enjoys theme days, art and craft, sports, swimming, computing and excursions, why not consider Camp Brighton run by OSH Club? Choose the days and activities that suit your child's interests.

[www.oshclub.com.au](http://www.oshclub.com.au)

## Gaming and Coding

### Young Crafters

**Thursday 18 to Friday 20 December, 5-8 years**

Spend 3 days working in creative mode learning to craft objects with structured challenges as you use collaborative learning to understand finding or growing food and mining and building machines. More advanced students can take on survival challenges to increase the complexity.

### Minecraft ++

**Monday 18 to Wednesday 20 December, 5-12 years**

Minecraft is like playing with LEGO in an online world. Spend 3 days using teamwork and lateral thinking to master this purpose built challenging Minecraft world.
