The Student Representative Council invites you to the Firbank International Women’s Day Breakfast featuring guest speaker Madeleine Grummet

Madeleine is a serial entrepreneur, gender advocate, innovation and design thinking specialist with Telstra Labs. She is the Co-Founder & CEO of girledworld, an Edtech startup, building the next generation of leaders, founders and STEM champions, one girl at a time.

In addition, she is also the founder of Do Re Me Creative, Founder Wise Women Project and has 15+ years in media and SME omnichannel strategic communications.

Committed to diversity drivers, female leadership cultivation and enterprise skill building, Madeleine co-founded girledworld to feed the pipeline, bridge the gap between education, industry and government, and bring up the next Gen of female leaders, entrepreneurs and STEM champions.
